advertising & branding

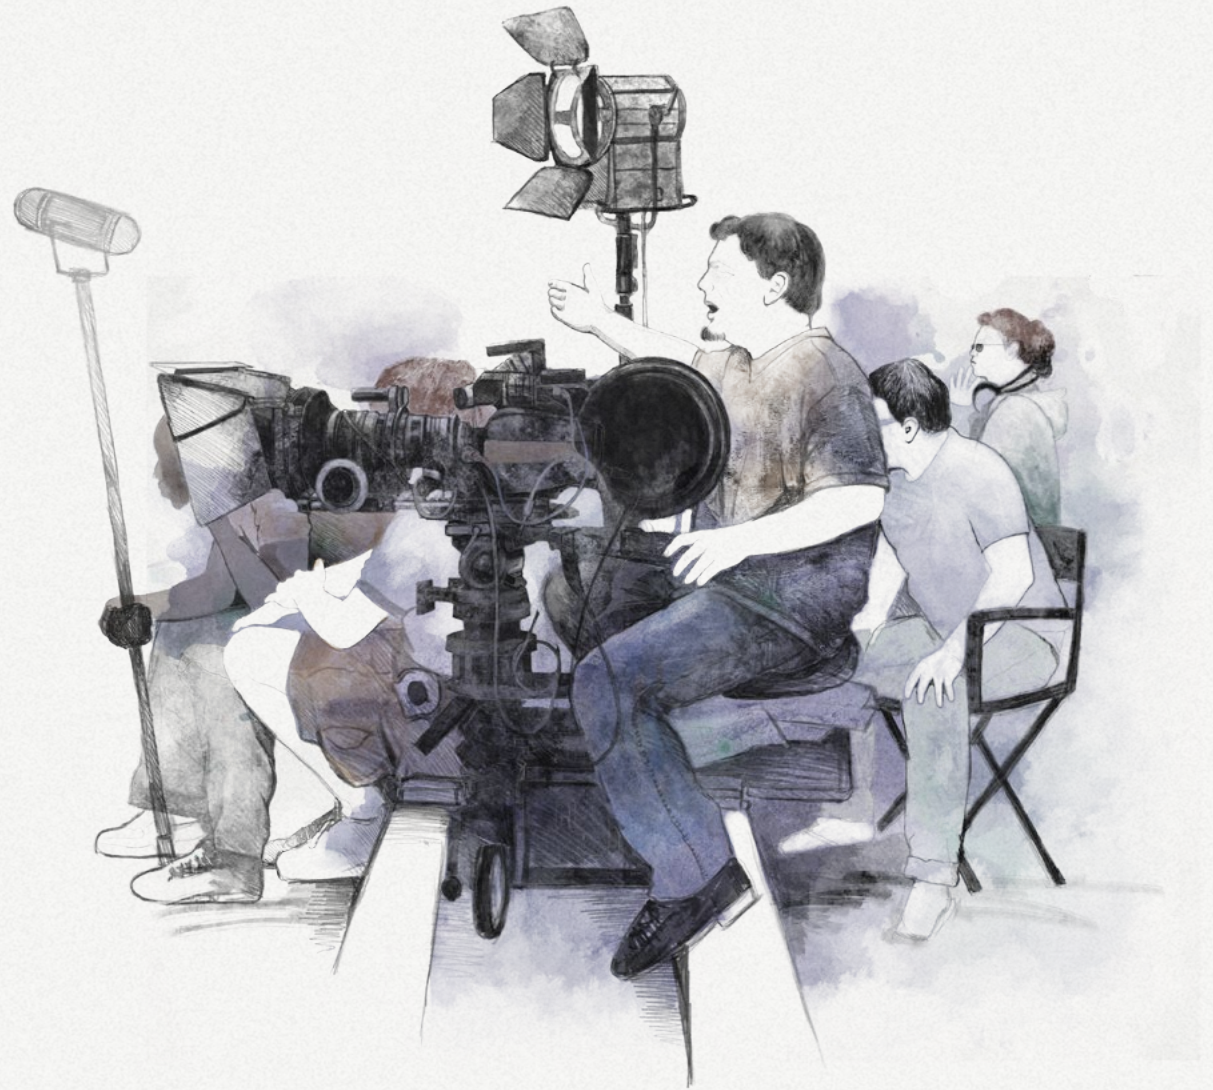

To get you noticed in the market wilderness, we cook concepts and catchy commercials, visual, print and viral in ATL and BTL platforms that dart into minds with dashing ideas. We understand brand aesthetics and work on it keeping in mind the fact that it's all about determining the wavelength between product and end-user.

consumer & corporate branding

media- production

Oneness engage in media production with an aim of making headline-grabbing programmes, cinema and television soaps. We work on advertisements entertainingly and effectively, thanks to the eclectic mix of talented technicians and think-tank who know well about the conscious and subliminal perceptions of advertisement and consumer dynamics.

art & entertainment

Oneness stands for the amalgam of arts. It is versatile by its very nature and seeks a convergence, simultaneously. We perceive Oneness being a steamboat of diverse art forms; a rendezvous of artists of every genre and patio to deliberate on Art. We hold art shows, lecture-demos and workshops on Painting, Music, Theatre and Film featuring avant-garde artists and budding talents and host biennales.

video- production

Our creative directors, editors, artists and animators all eat, sleep, and breathe post-production. Outfitted by ultra-modern post production facility, we offer a full complement of post-production services including editing, visual effects, motion graphics and color correction. We utilize all the latest software tools: Avid, Final Cut Pro, Maya, After Effects and DaVinci Resolve 11, claimed to be "world's most advanced color corrector with professional multi track editing".
